

CONSUMIR SERVICIOS CON WEB SERVICES

The background of the slide features a dark, moody photograph of a laptop keyboard and a pen resting on a notebook. A large, vibrant orange geometric shape, resembling a stylized 'A' or a series of overlapping triangles, cuts across the right side of the image. The text 'CONSUMIR SERVICIOS CON WEB SERVICES' is written in a clean, white, sans-serif font, positioned over the laptop and notebook area. A white horizontal bar is located at the bottom of the slide, partially obscured by the orange shape.

Ejercicio

Se requiere que se conecte a un servicios web utilizando la herramienta de Web Services Task y luego consumir el servicios y extraerlo en un archivo de XML.

The screenshot shows the 'Web Service Task Editor' window. The title bar reads 'Web Service Task Editor'. Below the title bar, there is a globe icon and the text 'Configure the properties used to execute a Web method using an HTTP connection.'.

On the left side, there is a sidebar with four items: 'General' (highlighted with a blue border), 'Input', 'Output', and 'Expressions'.

The main area is divided into two sections. The top section is titled 'Connection' and contains a table with the following properties:

Connection	
HttpConnection	
WSDLFile	
OverwriteWSDLFile	False

The bottom section is titled 'General' and contains a table with the following properties:

General	
Name	Web Service Task
Description	Web Service Task

Below the 'General' section, there is a text box labeled 'Name' with the description 'Specifies the name of the task.'.

At the bottom right of the dialog, there are three buttons: 'OK' (highlighted with a blue border), 'Cancel', and 'Help'. Above the 'OK' button, there is a 'Download WSDL' button.
